The massage table could perhaps do with an upgrade

Kind polite and professional girls. everything was right

There was a strange gap after shot 1, it seemed they wanted to leave...

Everything was perfect. Nothing to be improved upon.

I decided to let the girls lead. I like the massage bed/ milking table - it feels a bit old/ used though. The first part of the massage on the table was great. 5 out of 5 - could have been 6 or 7 out of 5 if it lasted longer. It was maybe a bit rushed - they seemed very eager to get the first shot out of the way quickly - would prefer a more gradual build up. Even still, it was one of the most intense orgasms i have ever had. The second part on the bed also felt a bit rushed at times - i did like it - but i felt a bit of performance anxiety like i needed to finish. it wasn't strong but it was noticeable. this part was more 3 out 5. i felt i needed to direct - they would have been happy to just finish me off with HJ.

This is my second review. My first experience was with EE1&EE3. I rated EE1 poorly but now i realize i was wrong. She is excellent - she has amazing skills and was the main reason the session went very well. This time around (EE4&EE3) was also great but EE3 didnt perform as well and EE4 was very passive. I think having the 'boss' there makes EE3 perform better. The girls have a routine, i get that, and they dont like too much out of the ordinary. When booking i was told i would have 3h but EE3 quickly suggested 3h should be more money. communication issue i think. Also for the second time i was promised a Levitra tablet (a courtesy i understand) but EE3 was unwilling to provide it. I think she worried about too much work either way. understandable. she has an amazing body and i still had a great time with both - but mainly because at one point i politely took the lead. this was not necessary with EE1

It was pretty awesome. Not sure I would know how to improve it. Perhaps continue to get to know the girls better to build chemistry over time with multiple visits?

I should have booked 3 girls...hehehe

I'm not sure if I received the 3 girls I asked for (ME1, EE3, EE5), I know EE3 was there, but the other 2 girls don't really look like their pictures so I'm wondering who actually came to my condo.

ME3 and EE2 both were ok. They rushed to the second time, just 5 mins after the 1st hj.(milking). Total session lasted only 1 hr 10 mins.

Very Satisfied. I think I had everything.....2 x girls for 2 x hours. They were very enthusiastic. They drained all the stress out of me.....

EE1 and EE2. Fantastic pair except what I wrote above; there was also no card with options and no

EE1 and EE2. Fantastic pair, except what I wrote above, there was also no card with options, and no change of costumes as would have wanted

Extremely satisfying. It was the most incredible feeling I have experienced.

EE1 & EE3. Both extremely sexual - naughty - kinky - direct and great. EE1 (Nong) seemed a great lady, experienced - very good with her hands but with her it felt a bit forced. Maybe it was just the chemistry was lacking and i do prefer younger ladies. Both were eager to please. EE3 is a born sexual deviant and i love it. She is sexy, seems open to anything. I'm generally and a quiet person and she seemed very eager to talk to make it interesting which isn't really needed. She could relax and be herself more - she doesn't need to act the part. She's cute and sexy and very good at what she does. I would repeat with her.

The girls were both very sexy and accommodating of my pervie desires. I think it was a bit mechanical and unenthusiastic but still good. I wouldn't repeat with EE4 and i may repeat with EE3 but only because she has the most sensational butt i have seen in a long time. I am a butt fetish guy... incidentally, EE3 promised A+ on both visits but it wasn't possible either time. She said she was too tight but she was clenching to avoid it i think. i wasn't going to force it.

very satisfied
